| Slow Blink White | Camera is installing firmware. Do not turn Off the camera.                            |

## RECORDING AND STREAMING VIDEO

Turn the camera On by pressing and holding the On/Off button. To start recording/streaming, simply slide down the record switch. The VIEVU<sup>2</sup> will automatically record a high quality video internally and also stream video to a connected smartphone. To stop recording/streaming, slide the record switch back up.

## VIEVU APP

The VIEVU<sup>2</sup> app can be used to interact with the VIEVU<sup>2</sup> camera. It can be used to record the streaming video directly on the smartphone, change camera settings, transfer recorded video from the camera to the phone, trim a video's length and monitor the camera's battery life and storage capacity. To pair the app with the camera, simply connect the smartphone to the camera's WiFi network and launch the VIEVU<sup>2</sup> app. Additional app information and smartphone compatibility can be found at [www.viewu.com/support](http://www.viewu.com/support).

## CAMERA WIFI NETWORK

The VIEVU<sup>2</sup> camera will create a WiFi network for streaming video to a smartphone. The SSID is the camera's serial number. The WiFi network password default is: 1234567890.

## FIRMWARE UPDATES

The camera firmware can be updated. Check [www.viewu.com/support](http://www.viewu.com/support) periodically for new updates.

## **CHANGING CAMERA SETTINGS**

VIEVU<sup>®</sup> settings such as video resolution or date and time can be changed by:

1. Using the VIEVU<sup>®</sup> app with a compatible smartphone. The VIEVU<sup>®</sup> app can be downloaded from your phone's app store.
2. Using a computer with the VIEVU<sup>®</sup> Configuration Utility. The Configuration Utility can be downloaded from [www.viewu.com/support](http://www.viewu.com/support).

## **RESET SWITCH**

If the camera fails to function correctly, it may need to be reset. Gently insert the end of a paperclip into the hole and hold down the button for 1 second. Video files will not be deleted during a reset.

## **PRODUCT WARRANTY**

Company warrants to purchaser that the Products purchased here under shall be free from defects in materials and workmanship and shall conform in all material respect to the specifications for a period of ninety (90) days from the date of delivery thereof, provided the Product in question has been stored and used in accordance with ordinary industry practices and conditions. The use of non-Company branded or approved accessories or replacement parts may result in damage not covered by warranty. Company does not warrant that the operation of the products will be uninterrupted or error free.

Remedies. In the event that a Product does not comply with the product warranty set out above and such non-conforming Product is returned to Company within the warranty period by Purchaser freight prepaid, Company will repair or replace such non-conforming Product at no additional charge to Purchaser; the repaired or replaced Product will be returned to Purchaser, freight prepaid.

Disclaimer of Warranties. The foregoing express warranties are limited to company and are not transferable and are in lieu of any other warranty by Company with respect to Products furnished hereunder. Company grants no other warranty, either express or implied, including without limitation, warranties or merchantability or fitness for a particular purpose.

Limitation of Liability. Company shall in no event be liable for any indirect, incidental, special or consequential damages arising out of or relating to the sale or use of its products, whether or not Company has advance notice of the possibility of such damages. If company breaches any provision of this agreement, purchaser's sole and exclusive maximum liability, whether based in contract, tort or otherwise, shall not in any event exceed the contract price for the particular products.

## **CAUTION**

Risk of explosion or fire if battery is disassembled, punctured, cut, crushed, short-circuited, incinerated, or exposed to water, fire, or high temperatures. Properly dispose of used batteries in accordance with local regulations.

## **FCC STATEMENT**

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

1. This device may not cause harmful interference.
2. This device must accept any interference received, including interference that may cause undesired operation.

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/television technician for help.

Important: Changes or modifications to this product not authorized by VIEVU<sup>®</sup> could void the electromagnetic compatibility (EMC) and wireless compliance and negate your authority to operate the product. This product has demonstrated EMC compliance under conditions that include the use of compliant peripheral devices and shielded cables between system components. It is important that you use compliant peripheral devices and shielded cables between system components to reduce the possibility of causing interference to radios, televisions, and other electronic devices.
